----- Agenda Topics -----

Introductions	R. Steed	1:00 pm -
Integrated Report Public Comment Opportunity. Do we want to request removing Dissolved Cadmium as a cause of impairment? From the Dis-Cd samples that DEQ collected (n≈85) between 4/10/2013 and 2/3/2015, there were no exceedances of the Dis-Cd criteria at the monitoring station near the ID/WA border. There were a couple exceedances of the Dis-Cd criteria at the CDA Lake outlet station.	Group Discussion	
Comments received on the Strategy Paper. Turning comments into issues to work on/discuss/address	Group Discussion	
Update on data set (no progress)	R. Steed	
Next steps, future agenda development.	R. Steed, Group	– 4:00 pm
